Hi Angelina,

Good news, DOT is okay with Art Walk artists selling their artwork in the plaza.

Art Walk can't charge admission (free/open to public) and needs to pull a sidewalk permit and incorporate the plaza. DOT even offered to promote the event.

And I'm good with Art Walk moving forward on this too. I reviewed our MOU and found the sentence on commercial activity. As long as we have prior written approval by the City, it's allowed. With Council Office approval and DOT approval we're good to go.

I'll let Justin know and he can begin the permitting process with Karen at BSS.

Thanks,
Aaron
